Please complete the attached worksheet of proposed driveway and street access.

Driveway Permit Application Worksheet

All work is subject to the Township Ordinance and any other section(s) of the Township Code that may apply.

Driveway Regulations

1. Driveways shall be designed in a manner to prevent the driveway material and associated storm water from entering onto a public road.
2. Residential driveways must be a minimum of three (3) feet from property lines.
3. Access drives to and from off-street parking, loading and vehicle service areas along public rights-of-way shall consist of well-defined entrances and exits.
